7:00 pm

Your donations are appreciated!

The Abramson Scholarship Foundation (www.abramsonfoundation.org) is a non-profit organization that provides financial, mentoring, and instructional support to D.C. public school graduates attending four-year colleges. Awards are based on merit, need, and a demonstrated commitment to community service. To date, the Foundation has awarded nearly \$800,000 in financial assistance to over 260 D.C.P.S. graduates.
